Don’t go another day without our mobile app
Get access to your PayFlex® account with our free* PayFlex Mobile application. This app makes it easy for you to manage your account virtually 24/7. It’s available for iPhone® and iPad® mobile digital devices, as well as Android™ and BlackBerry® smartphones.

Getting started is easy
1. Create a username and password. If you already have a HealthHub username and password, go to step 2. If not, go to HealthHub.com. Click on Employee Account Login. Click on Register Now to get started.
2. From your mobile app store, download PayFlex Mobile.
3. To log in to the app, enter your username and password, then select Login.

After you log in to the app, you’ll see My Dashboard. This connects you to:
- Financial Center
- Benefits Center (if applicable)
- My HealthHub Resources
- Alerts
- Contact Us

Note: Not all of the PayFlex Mobile functionality is available for BlackBerry smartphones. Menu layout, designs and screen displays may vary on your device.

Using the mobile app features

Submit a claim for reimbursement

This is available if you have a reimbursement account. This option does not apply to the HSA. To get reimbursed through your HSA, you must use the Make a Withdrawal feature.

- From the Financial Center, select File a Claim.
- Select your employer (if applicable) and your expense type.
- In the Expense Start Date field, enter the date of service or purchase.
- Enter the amount that you paid for the product or service. For a dependent care expense, enter the expense end date and your dependent’s name.
- To attach a document, select the Add Photo image. Then select Review Claim.
- After you review your claim, select Submit. If you need to make a change, select Cancel.
- Select I Agree to submit your claim. Select Go Back to make a change.

Don’t have a phone with a camera? Complete the claim submission process online.

Benefits Center
If offered by your employer, this center features your benefit information and the contact details for your health plan and primary physician.

- You have to enter this information on HealthHub.com to view it on the app.
- If you want to add information or make changes, log in to HealthHub.com. From there, click on the Benefits Center tab.

My HealthHub Resources
You can view a list of common eligible expenses. You can also view any agreements and terms of use that we have sent to you.

- Select Expenses and choose the expense list you wish to view.
- Select Documents Center and select the document you wish to view.

Alerts
If you see an alert, select it to view more details. Here are two alerts you may see on the mobile app.

Alert: Claims requiring substantiation
You may see this if your employer offers the PayFlex Card®, your account debit card. This red alert message will let you know if we need documentation for a debit card purchase.

Note: This does not apply to HSAs.

- To take action, select Learn More.
- You can upload your documentation on the app. Select the Add Photo image. Note: This photo button will only appear on phones that have a camera or photo library.
- Take a photo of your documentation or choose the image from your photo library. Make sure your photo clearly shows the date of service, the amount of purchase, a description of the product or service, the name of the merchant or provider and, if applicable, the name of the patient.
- If the photo is not clear, select Cancel.
- If the photo is clear and readable, select Choose.

Alert: Claims payments
After you submit a claim, you’ll see an alert message confirming the amount and when you can expect reimbursement. This will show after we process your claim and have approved it for payment. Simply select the alert to view the details.

Note: This does not apply to HSAs.

Contact Us
You have a number of ways to contact us. Through the app, you can view our toll-free customer service number, fax number and mailing address; our customer service hours; and the member website. If you’re having issues downloading the app, contact your smartphone carrier.
